## The shower And The Glory...

I'm a student which means I'm always skint, so I got a job as a part time cleaner at the local sports club and work in the evening after the football clubs finish.

I've only been doing it a few weeks and the only perk is seeing all the fit lads in their kits.

While I wait for them to shower and clean up I can only fantasise about being in there with them!

Last week I got woken

up.

As I imagined his sexy body touching mine and undressing me I sat down on the benches and started to touch my pussy.

Getting totally carried away I was wet though my panties and the steam for the showers made my clothes stick to me, making me hot and horny. As I was about to orgasm I opened my eyes and screamed. The gorgeous bloke was watching me! I sat up and tried to pull my pants back on.

Coming right up to me and sitting me back down on the bench, he told me what he just saw was the biggest turn on he'd ever had. After a moment's thought I confessed that I was imagining him fucking me.

Without saying a word he stood up and took off his shorts, releasing his cock, and before I knew it we were

from my dirty thoughts by one of the players coming out the changing room. As I'm quite shy I went bright red but managed to get out a "Hi!" to the sexiest bloke!

As I cleaned up the showers I couldn't get the guy out my head and wished that I could have been standing in the same spot half an hour ago as he was naked, wet and all soaped

in the flood sliding around fucking like crazy!

Ripping off the rest of my clothes and turning on the showers he lifted me up and shagged me against the wall. Grabbing the soap with I spurted it over my tits and his chest. As our bodies rode up against each other the foam slid in between our nipples. I pulled out of him and sank to my knees taking

his cock deep down my throat, the hot water pouring down my face.

I lathered up his balls and grabbed at his firm sexy arse. I could soon feel him spasm and as he came, his thick creamy cum spurted all over my tits.

Lying down and rubbing his cum all over my body I felt his fingers enter me and his tongue lapping at my cunt. I didn't take long for me to cum.

Sitting up I licked my juices off his face and realised what had just happened!

What a fuck! I

hope these pictures that he took of me the next day get you as horny as I was!

Busty British babe Cherry Blush looks like just the sort of girl we'd love to spend a little personal time with in the bathroom, but apparently she likes to keep things to herself in there...

"Yeah, having a bath is all about enjoying some serious me time! First of all I like to shave my pussy and, once that's done, I'll lavish some serious attention on it. I've got 7 or 8 sex toys that are waterproof, and I always make sure I've got a couple of them with me! It's the perfect way to while away a Saturday afternoon!"

## BLUE MOVIE!

Busty blonde Brooklyn Blue's a no-nonsense sort of gal – we cut to the chase with her jiggling her knockers and acting the strumpet. Once she's given her snatch a good fingering she's presented with a couple of cocks to play with, and from that moment on she's in her element.

There's loads of slobber as she's spitroasted every which way before the lads shoot a pair of massive loads over her face. She shares a lucky cock with Chessie Kay in the second scene, while she and two pals get more than a large pepperoni out of the pizza delivery guy in the next. There's plenty more action to cum, too, in this solid slice of UK grot. Available from your local sex shop.

## OLD SPICE!

60 Plus? The first game old bird up here goes by the name of Katherine Merlot, and she's 71! Still, just like the wine she seems to be maturing well, and gives her young lover some cracking dirty talk as he fingers her cunt. And she keeps it up throughout, with loads of filthy chatter right up until she gets a creampie for her troubles. It certainly beats the new kitchen she was planning at the start of the scene. By comparison, Jeannie's a mere

slip of a 61-year-old, but she makes the most of her interracial knobbing, and all the other old dears on display obviously relish the helpings of young cock they're treated to. You've really got to hand it to them! Available from you local sex shop.

What a treat to see the ever-horny Tammy Oldham back in Escort after what feels like years and years! I can well remember just how turned-on she always used to make me whenever I came across a photospread of her with her saucy smile and furry snatch, and I'm delighted to see she's lost one of her powers of seduction! And I was also chuffed to see she's still a signed-up member of the furry fanny brigade! I always used to fantasize about burying my face in that juicy slit of hers and breathing in her musky scent, and seeing her again has brought all those thoughts flooding back! Please pass on my warmest regards to the lady herself, and make sure you get her back in Escort again soon so I won't have to wait another few years before I can unleash my load over pictures of this sizzling sexpot!

Frank, Hastings.

**Julia says:** Yes, Tammy did rather disappear off the scene for a bit there, didn't she? But you're not wrong – she's clearly just as sex-mad as she ever was!

## DEAR JULIA

It's always a thrill when you feature a brand new girl who's clearly turned-on by the idea of showing off her cunny to all your randy readers, but I was especially struck by

Roxi Couture in your latest issue. What an absolute stunner, and as soon as I clocked her on the cover I knew I'd be getting my money's worth out of the mag! And sure enough, she wasn't coy about displaying her wonderfully pink pussy in all manner of poses, holding her love lips open so we could really get a sense of what a gorgeous fuck-hole she possesses! And to top it all off the centrespread, which sees her spreadeagled perfectly, her cunny framed beautifully by her nail-varnished fingers for all to appreciate. It's pictures like that that keep me buying Escort!

Colin, Leicester.

**Tammy to you!**

Bukkake's one of the most no-frills forms of porn going – get a randy girl or two in a room, surround them with stiff cocks and let them suck and wank them all off till they're splattered in nut butter!

This flick features British strumpets like Sophie Anderson, Grace Harper, Alexxa Vice and Ashley Ryder doing the sucking, and they all look grand when they're finally dowsed with the contents of the room's nutsack. Utter filth from some very naughty ladies. Available from your local sex shop.

**WE'LL BLOW ME!**

## PLUG AND PLAY!

**Rocks-Off Dr Rocco's Dominus 10 Function Butt Plug**

£39.99

[www.bondara.co.uk](http://www.bondara.co.uk)

Now call me old fashioned, but I'd always thought of butt plugs as very much a 'one function' kind of item – you shove 'em up your arse! Still, this one's got a vibrating bullet inside which boasts no fewer than 10 different varieties of buzz strength and pattern. The whole thing's waterproof, but what really makes it stand out is the design, which makes it look like the sort of sex toy they'd use in Game of Thrones. So if you want a steampunk-inspired thrill to shove where the sun don't shine, then you're in luck!

# REAL WIFE SEX

*Sian's decided to roger the lodger!*

**"I slid down to my knees to caress his magnificent erection, cupping his balls with one hand..."**

decided that if I loved him and wanted to stay with him I would have to find my own amusements, and for the first time I began to think about playing away from home.

I tried removing my wedding ring and going out with my girlfriends, but most of the guys

young body and his easy manner.

Drew was not that keen on us taking a student lodger at first, but as the economic downturn was effecting us just like everyone else, he finally agreed. I allowed Paolo time to settle in before coming on to him, but not much. I got the impression Paolo had taken the room more because I was to be his landlady than because our spare room was nice.

It happened on a weekday evening. Paolo had come home from his college and came into the kitchen to say hello.

I have been married for three years now to my husband Drew. He is 10 years older and at first the difference didn't matter: he is handsome, amusing and virile. The first year was a little crazy, in a good way, as he'd come home early from work any time he could and we'd fuck.

The second year things cooled off a little as these things do, but I put extra effort into surprising him and sex was still one of the most important thing in our lives. Then he got promoted, and his job began to take more of his time and attention. It was then that he told me his age was against him and if he was to go anywhere in his career he would have to travel a lot more. Reading between the lines, I realised that I would have to accept that he did not have the time or stamina to keep me as sexually satisfied as before.

At first I accepted this and did my best to be patient and understanding, but as time went on I began to get lonely and needy and to long for the passion that had almost vanished from our partnership. That is when I

found were also cheating on their partners and the whole thing seemed sleazy and fake. Then I met Paolo, a foreign student who was looking for a family he could rent a room from while he was studying in this country. He was not that much younger than I am, and at once I felt attracted to his fit

bra, moving his lips and fingers to my nipples as a hand went south towards my panties, which he almost ripped right off my arse.

This alarming yet exciting move made me come on the spot and I squirmed as he lifted me so my bottom rested on the counter-top. Paolo pressed his deep red cock-head against the slick lips of my throbbing labia and pushed it inside me. I gasped, climaxing again as I felt him enter me, and slid my arms around his neck as he pulled me forward, allowing me to sink fully onto his cock. Holding my arse-cheeks with both his hands he began to fuck me, moving me so my back was against the chill kitchen wall, until he groaned and jerked, pumping me full of his hot cream.

Since then we've been carrying on regularly. I still love Drew, of course, but I can't get enough of Paolo and his lovely fat cock, either – so everyone's a winner!

I was preparing the evening meal... dressed only in a little black lace lingerie set, black seamed stockings and stilettos and a tiny white chef's apron! After all, I'd had plenty of time to plan it all! I turned to face him smiling invitingly, untying the apron strings, lifting the loop from around my neck and letting it fall, giving him the full floorshow.

Paolo's jaw fell open and he mumbled something about my being "The prettiest lady" he'd ever seen. Beaming, I retorted that as Drew was away from home that evening I was glad there was someone else there who would appreciate the menu.

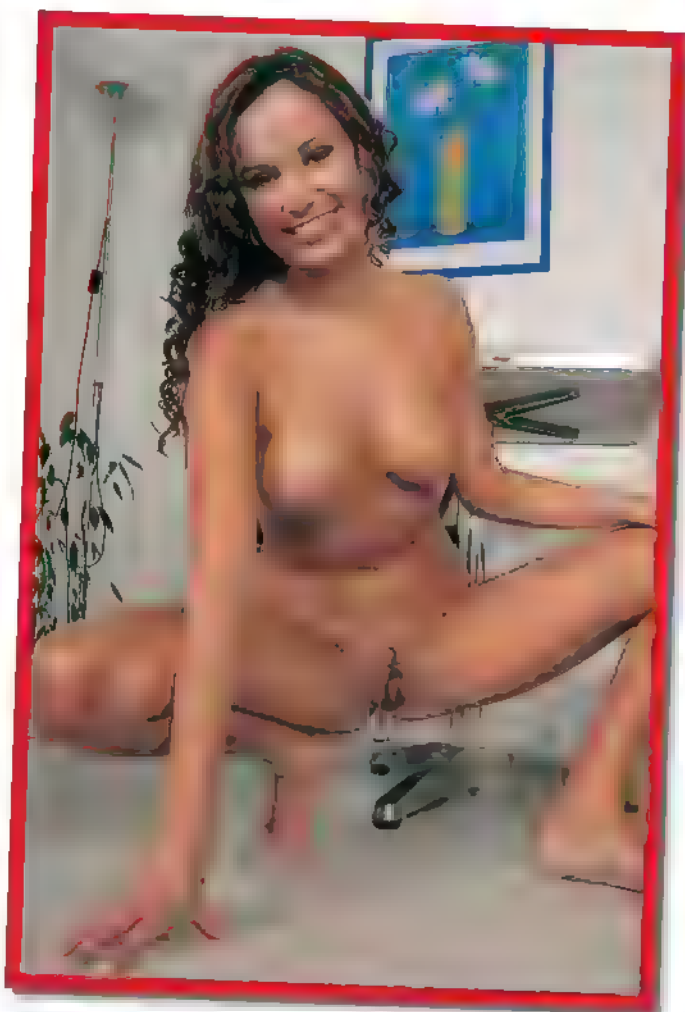

Paolo stepped towards me, and, catching my long hair behind my neck he pulled it slightly so that my head tilted slightly back. Even in my heels I was a lot shorter than him and he began kissing and licking my neck in a very sensual manner before kissing me hard on the lips. Every move he made was practiced yet seemed natural. Even though he was young he was clearly very experienced and I allowed him to make all the running. His hands glided over my body, caressing, tweaking and igniting pleasurable sensations as they flicked across sensitive areas of my skin, pushing aside the gossamer lace of my tiny black panties and probing my pussy. My labia became swollen and sensitive, and I felt my sex juice seeping as my pussy contracted and my back arched, thrusting my pussy out to push against his crotch.

Our pelvises moved in unison, thrusting against each others instinctively, and while he was still fully clothed I could feel the hard bulge of

his cock straining against the fabric of his jeans as he teased me. I reached down and began unzipping him, but he held me back, attending to it himself. I leaned back against the kitchen cupboards and watched with admiration as he unbuttoned his shirt, exposing his smooth yet muscular chest. Then it was my turn to stare dumbfounded as he removed his jeans and uncovered his genitals.

His cock was long and impressively thick, his ball-sac was shaved – large and tight with need. I slid down to my knees to caress his magnificent erection, cupping his balls with one hand. Paolo smoothed my tresses back from my face so he could get a proper view as I licked the length of his shaft, wrapping my tongue around his rigid pole. Then, opening wide, I sucked his cock as far inside as possible and began to bob my head on his hard-on.

Soon I felt his balls tighten even more and knew if I must not take him past the point of no return. With a sigh he accepted that I did not intend to swallow his seed just yet, reaching down and helping me up. He kissed me long and hard as he unhooked my

## Doggin' Heat!

I nearly choked on my drink when my boyfriend asked me if I would try dogging. I knew what it meant of course, it's just that I had a hard time understanding why

it would turn him on to watch me with other men. He took some time to explain carefully that it really would turn him on to see me with other guys, and that it would be exciting and we should at least try it.

It was a real turn on to plan it, when, where and what I would wear, so when I found myself parked up in a layby with him some weeks later my heart was racing.

We had chosen a very short black dress with stockings, suspenders, a thong and

some killer heels.

There were a few parked cars and a few guys lurking in the darkness until my boyfriend switched on the interior lights in the car and told me to lift the hem of my dress up and start to play with myself.

One guy sort of slid past looking in, then came back and looked in the window when I noticed that he had his cock out. My boyfriend told me to wind the window down and to show myself off to him, so I pulled my panties to one side and started to slide a few fingers into my pussy.

He started to wank himself and within minutes the car was surrounded by guys, all with their cocks out.

I pulled down the top of my dress and a few guys started to put their arms through the window and pull at my large 34 breasts and nipples. A few reached down and started to rub my stockings, though they were very polite and didn't go near my pussy.

By now I was super turned on and my boyfriend was happily wanking away when

he suggested I get out of the car. I did as he suggested and immediately felt really exposed. I knew my boyfriend was keeping an eye on me, but all these guys with their cocks out felt quite intimidating.

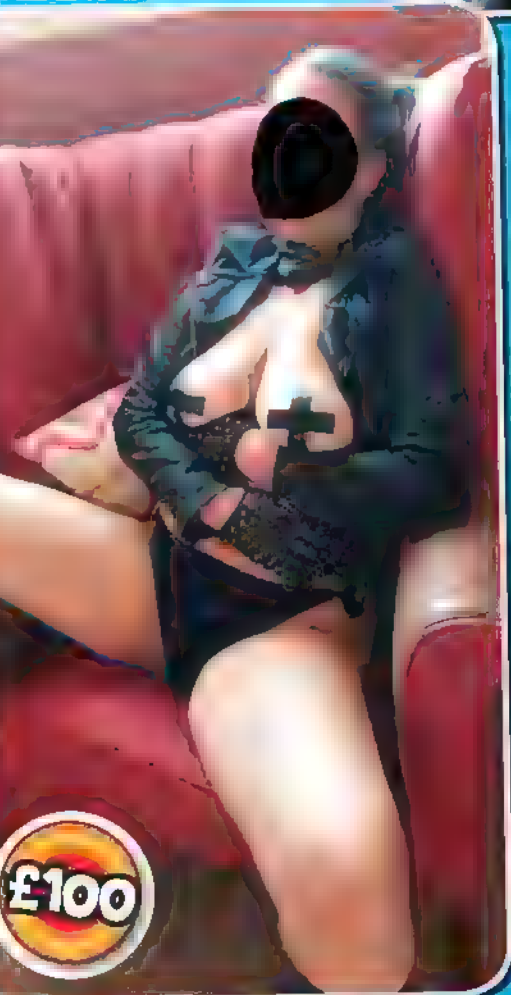

I thought I would do what I know best and got down on my knees and within seconds I found a circle of wanking cocks around me of all sizes and shapes. I took the one nearest and slid it into my mouth, wanking it as I sucked it. Then I moved onto the next, taking each one in turn.

A couple of guys came almost straight away shooting their cum over my exposed tits, but some stayed hard in my mouth. I looked back over to my boyfriend who had got out of the car and was watching me wanking his cock. He nodded and I knew what that meant as I walked over to the bonnet of the car and lay down on my front on it, parting my legs.

It wasn't long before I felt the first cock slide into me from behind and it turned me on more than I ever could have imagined fucking these strangers. I couldn't tell if it was the same guys going in and out of me and passing me around or if it was a long line of them but I was getting one hell of a fucking and my knees were trembling so much that I almost collapsed.

Eventually they had all cum and I got back into the car having to sit on a towel on the way home, spunk still in my hair and on my tits. My boyfriend loved it, and I must confess, so did I!

Emma, Swindon.

Cecilia looks like she keeps herself in pretty good shape, doesn't she? Why she's almost got a six-pack going on there...

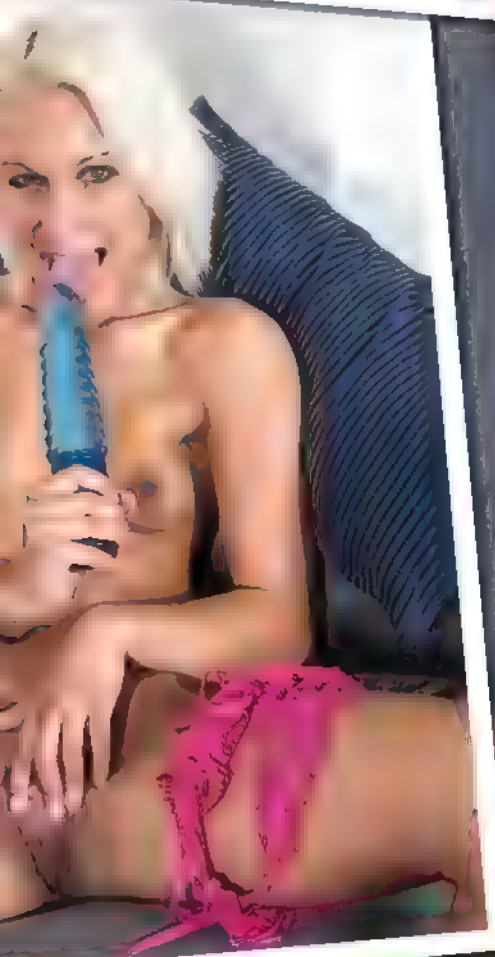

"Yes, I'm a bit of a gym bunny alright! I was feeling a bit crappy a couple of years ago after a particularly heavy few weeks, and I thought I ought to do something about it. I was only going to go a couple of times, but I had a particularly interesting experience in the ladies' locker room and, well, I've been going regularly ever since!"

It's amazing how much fun you can have with just a Union Jack duvet cover, a few balloons and two of the country's horniest splishers to keep you entertained, isn't it? For the sake of balance, we tried to get Sam Bentley and Faye Taylor to make sure the balloons didn't feel too left out before they got down to the serious business of fingering and licking out each other's juicy cunt!

To be honest, it seems a bit of a shame that a girl as saucy as Nomy feels like she wants to hang out in the utility room, busying herself with the laundry. This is the 21st Century, after all, and women have come a long way!

"I've definitely come a long way thanks to this washing machine!" she laughs. "As soon as I hear the final spin cycle start I head in here and perch on the corner – it brings me off every time!"

Damn – if only I'd known I'd brought some dirty washing with me!"

# Casey

We've had a bit of a northern theme going on this issue, and we're rounding things off with another lass from a chillier part of the UK in Casey here.

"Hey, it's not that much chillier, and besides, we're a bit tougher up our way, so we don't really feel it compared to you southern softies!"

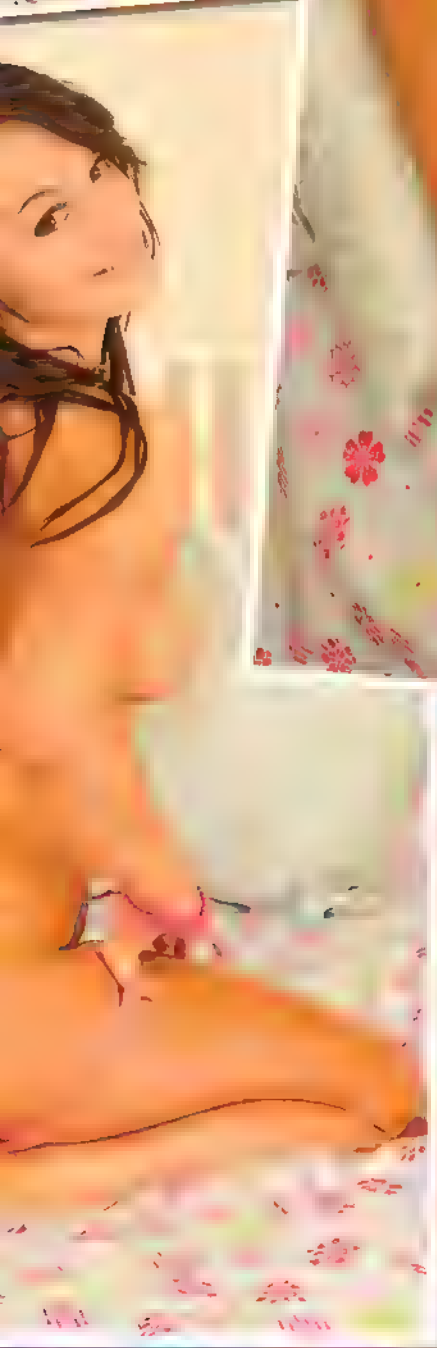

That may well be true, although I'd like to think that if I ventured too far North there'd be some way to make sure I was kept nice and snug..."

"Well maybe, but only if you were really frozen stiff!"

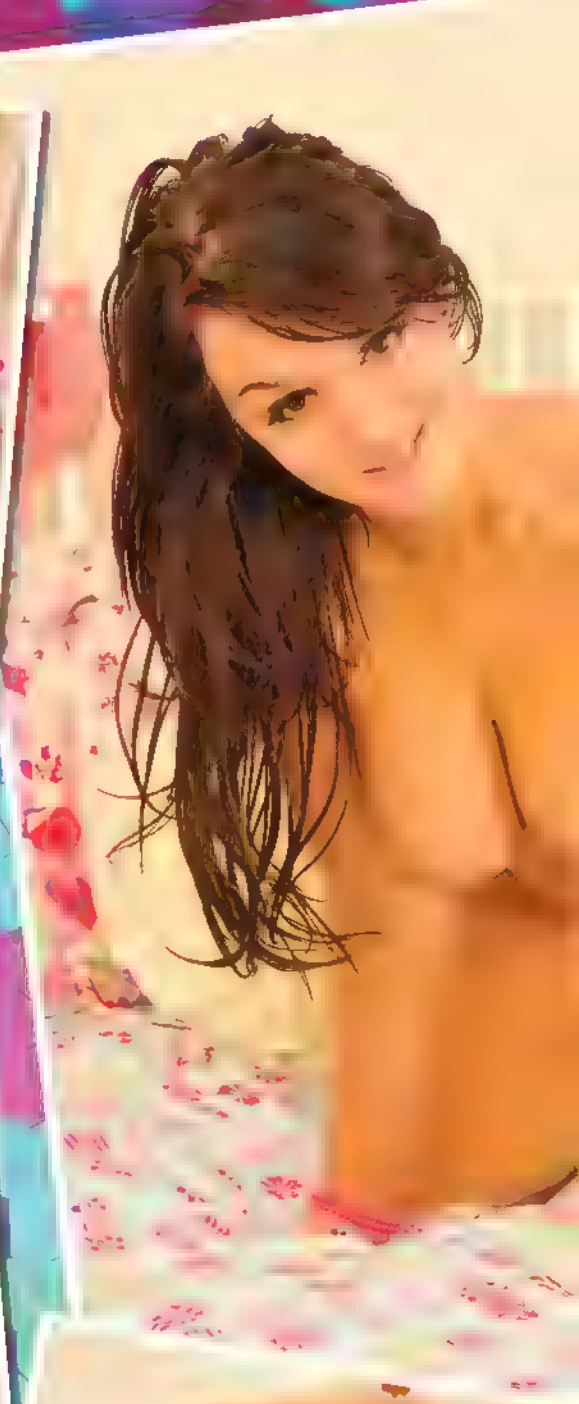

## Lap of Fuck-sury

I want to share the most amazing red-hot experience I've ever had.

It was a Saturday night out in Cambridge and my husband was taking me to a new lap-dancing club.

It was the first time I had ever been to one of these and my sense of anticipation was intense.

As I walked up the stairs to the bar I was greeted by a gorgeous woman wearing the sexiest red underwear.

We looked at each other for ages – the chemistry was unbelievable – before my hubby got drinks and led me to a table.

The woman soon came over, introduced herself as Amber and offered to dance for us both. I could feel my pussy getting damp with lust as she took me by the hand and led us to a booth.

She sat me down on a flaming red couch and spread my legs. I felt her pressing her body up against mine and kissing my pussy through my thong.

She slipped out of her bra to reveal two perfect tits and then showed off her delicate hairless pussy.

She ran a finger over her clit and into herself then offered me her finger to taste.

I looked across at my husband who had a massive bulge in his pants and a grin on his face.

He went to get another drink and Amber whispered to me, "I want you to go through the stage door next to the toilets in 10 minutes."

I told my husband I was going to do it and he gave me his blessing. I walked through and she grabbed me as soon as I came in. She pulled me into a corner and started kissing me.

She strummed my clit with her fingers and sucked on my nipples. I felt three thrusting fingers in my cunt deep and hard until I came all over them. She slowly pulled them

out and licked them clean. "My my you taste as good as you look," she said.

I made my way back to my patient husband and as I told him what happened his lust was rising.

He dragged me out to the car park, lifted me on to a car bonnet and hitched up my skirt. I tugged at his belt, reached in and grabbed his thick cock and pulled it into my hole.

He fucked me hard, getting faster and deeper. I was bursting with orgasm after orgasm. He was close to exploding and pulled out so I dropped to my knees and took his shaft in my mouth.

He exploded with a burst of hot cum. I swallowed it all and sucked on the head to get every last drop of fluid.

We sorted ourselves out and made our way to the next club across the car park.

Two of my husband's mates were near the bar and we went to say hi. I was still randy as fuck and when someone knocked me onto Mick I could feel his cock had been getting hard listening to me.

I commented on how appetising it felt and his mate Wayne said there is more here too, and put my hand on his hard crotch. My husband leaned in and said to me, "Shall we all fuck?"

My eyes opened wide with lust for three horny fellas working my body.

He asked them if they were both up for it and when we left in a cab I started to lick each of the juicy thick cocks thrust into my face in turn.

When we got back to Mick's flat we burst through the front door removing our clothes.

I jumped on to the settee and Wayne slipped in under me, inserting his cock in my pussy. I started to ride him as Mick and my husband presented their cocks to my mouth.

I took them in both in the corners of my mouth as I rode Wayne's big fat tool.

We swapped ends many times so I was always topped-to-tailed.

Mick and Wayne were doing my arse and pussy at the same time, orgasms firing through me at an uncontrollable rate.

CONTACT ME

My legs were shaking and my breathing deep and fast as all three pulled out and exploded all over my face and chest, covering me with delicious cum.

I mopped most of it into my mouth, savouring the taste and then chilled out for a bit before we decided to arrange another session in the near future. I can't wait!

Tori, Cambridge.
